EMPLOYEE SERVICES

THE AMERICAN-KOREAN FOUNDATION CAMPAIGN

1. The campaign of the American-Korean Foundation will be conducted in this Agency from 15 July through 29 July 1955.
2. The American-Korean Foundation is a voluntary agency through which Americans may participate in the rehabilitation of Korea. It is not a relief agency. Its objective is to help the Koreans to help themselves.
3. The work of the Foundation is in expanding and improving training for Korean physicians, dentists, nurses, teachers, social workers, and engineers; in helping to rebuild schools, orphanages, hospitals, clinics, and leprosaria; in aiding in the re-establishment of youth groups and in rehabilitating the war disabled and war widows. In this connection, President Eisenhower recently said:

Voluntary contributions by our people to this cause transcends by far in importance any relief afforded through governmental sources I strongly indorse the campaign of The American-Korean Foundation....

4. Special contributor envelopes and campaign leaflets will be distributed throughout the Agency by Administrative Officers. All contributions should be submitted through your Administrative Officer to the Employee Services Branch, Records and Services Division, Office of Personnel. The Records and Services Division has been designated to receive and forward all contributions to the American-Korean Foundation.
